We are inviting EMTs and Paramedics to bring their knowledge and experience of basic and advanced life support to our classroom at Silicon Valley Ambulance Training Center.

As a new EMS training center in Silicon Valley, we are offering the contract instructor the opportunity to work with career educators in the development of new lesson plans, knowledge and skills maintenance, and perhaps even develop new skills and expand your knowledge. Our instructor schedule is facilitative to allow the instructors to maintain their current employment. Each instructor will be given the opportunity to lecture and instruct skills stations.

General Description:

Our professional instructors primary responsibility includes lecture and providing BLS, ACLS, PALS, EMT, and Paramedic skills instruction according to AHA and National Standard Curriculum for EMS education. Courses will be offered to Fire Departments, Private and Public EMS Agencies/ Ambulance providers, Police Departments, Nursing Facilities, Corporate ERT, and the general medical community.

Responsibilities include: providing demonstrations, acting as a student advocate in the learning process, and creating an active learning environment. These are part-time contract positions. Starting rate is \$30.00 per hour for lead instructors, and \$20.00 per hour for skills instructors.
